

## PUBLIC ART IN PORTISHEAD

Portishead is a creative town. As well as taking part in the annual North Somerset Arts Week events, the town has its very own public art trail in Port Marine. The perfect activity for a sunny day down at Port Marine - see how many you can find!

## GETTING OUT AND ABOUT!

Portishead benefits from excellent transport links and there are plans afoot to re-open the Portishead Railway which makes it an ideal place to live for commuters. Buses also run regularly to Bristol and neighbouring towns throughout the week.

Portishead has expanded vastly in recent years, with lots of development taking place on the old Power Station site (now known as Port Marine). The area has the feel of an urban village, with houses of different styles grouped around parks

and squares. It's the perfect location for a Sunday stroll. Relax on the quayside with a coffee, watch the boats go by, try your hand at crabbing, feed the resident swans, or grab a bite to eat at the local restaurants and bars...

Portishead's Lake Grounds is a beautiful spot for families to relax on a sunny day.

Built around a man-made lake and running alongside the Esplanade and beach, this is the town's main recreation ground (a visit to the annual raft race is a must!) and there's plenty of room for exploration, picnicking and traditional park games.

A great place to feed the ducks - the lake offers rowing boat hire during the summer months and

there is a lovely children's playground, in addition to an outdoor gym, tennis club, bowls club and a cricket club. It's also a popular spot for model boat enthusiasts. Watch the real ships pass close to Battery Point!

The Lake Grounds offers fantastic views of the Welsh coast, and there's plenty of open space, parking, public toilets and a café, so you can make the most of your visit.

For a seasonal open air dip without the nip, make a trip to this beautiful lido. The pool is heated with green energy, and is maintained to a balmy 28°C. There's also a toddler pool and tuck shop and a fantastic café offering lunch, cakes, ice creams and more!!!

## PORTBURY WHARF NATURE RESERVE

This is a great place for a family walk or some well deserved peace and quiet and there are numerous public footpaths. Dogs are allowed, but must be kept on leads. Access by foot from the nearby houses, or park in the lay-by off Sheepway.
